# ATTENTION STALLION OWNERS & BREEDERS

Nominate Your Stallion by January 15 to Make Foals Eligible  
To The Sport's Most Prestigious Program

## BREEDERS CROWN No. 43 FOR FOALS OF 2027 TOTAL ESTIMATED VALUE - \$7,000,000

**STALLION NOMINATION FEE:** Due and payable Jan. 15, 2026, in the amount of the advertised stud fee for the 2026 breeding season (\$500 U.S. funds minimum,) plus an additional surcharge as indicated below, provided, however, that for first-year stallions placed in commercial service (which would not include test breedings) after Jan. 15, the nomination must be paid within 60 days after the stallion first breeds a mare. In no event will any stallion nomination fee be accepted after Dec. 31, 2026. The Hambletonian Society reserves the right to determine the stallion nomination fee of those stallions whose 2026 service is advertised as private treaty, or if the amount of the fee is not advertised. This payment covers 2026 matings (foals of 2027).

In addition to the 2026 service fee, the amount of the stallion nomination fee must include a surcharge as follows:

- a) For stallions that stand for a fee from US\$3,000 to \$5,999 (or \$4,158.77 CAD (Canadian Dollars) to \$8,316.14 CAD), an additional amount equal to 40% of 2026 service fee must be paid;
- b) For stallions that stand for a fee from US\$6,000 to \$9,999 (or \$8,317.53 CAD to \$13,861.16 CAD), an additional amount equal to 75% of 2026 service fee must be paid;
- c) For stallions that stand for a fee of US\$10,000 (\$13,862.55 CAD), or more, an additional amount equal to **200%** of 2026 service fee must be paid.

For stallions that stand for a service fee of less than US\$3,000 (or \$4,158.77 CAD), no additional surcharge is necessary for nomination.

*Note: To determine the surcharge in other than U.S. funds, the October 28, 2025 exchange rate is used; a rate of \$1.39 CAD per US\$.*

Stallion nominations for other than first-year stallions that are postmarked after January 15, 2026, but on or before Dec. 31, 2026, will be accepted upon payment of an additional penalty amount equal to 50% of the above stallion nomination fee (including the above surcharge). Likewise, stallion nominations for first-year stallions that are postmarked after the above 60-day deadline, but on or before Dec. 31, 2026, will be accepted upon payment of an additional amount equal to 50% of the above stallion nomination fee (including the above surcharge).

Any payment on a stallion that does not commercially conceive a foal or breed a mare by any means during the entire 2026 breeding season may be refunded, provided, however, that it shall be the obligation of the stallion nominator to notify the Society in writing of any request for refund by Dec. 31, 2026.

Moreover, if a nominated stallion does not breed more than twenty (20) mares in 2026 or produce more than fifteen (15) registered foals in 2027, up to 50% of the stallion nomination fee may be refunded, provided, however, that it shall be the obligation of the stallion nominator to notify the Society in writing of any request for adjustment by Dec. 31, 2026 (mares bred) or by Dec. 31, 2027 (registered foals). No stallion nomination fee will be reduced to less than \$500.00 U.S. funds.

Any payment on a North American stallion that has been nominated by Jan. 15, 2026, and is subsequently exported prior to Feb. 15, 2026 and that does not commercially breed a mare in North America by any means during the entire 2026 breeding season, may be refunded, provided, however, that it shall be the obligation of the stallion nominator to notify the Society in writing of any request for refund by Dec. 31, 2026. With the exception of supplemental nominations or declarations as provided in the conditions, foals of 2027 by a stallion for which the above nomination fee has been refunded will be ineligible to the Breeders' Crown unless an additional amount equal to the amount of the refund is paid.

*Except as provided above, stallion nomination fees shall not be refunded.*

Stallion payments may be made in the local currency of the nation in which the stallion stands, or in equivalent U.S. funds (\$500 U.S. funds minimum).

Conditions for nominating yearlings will be published in the *USTA Stakes & Futures Nomination Book*. Specific conditions for the races for which these foals are eligible will be published in the *USTA Stakes Guide* in the year of the races. The Hambletonian Society reserves the right to add to, amend or delete the conditions of all or any part of the Breeders' Crown program, without liability. *For more information contact: The Hambletonian Society at (609)371-2211 or www.hambletonian.com*

### *Corwin Nixon*

As a successful politician and horseman, Corwin Nixon positively impacted the Standardbred industry and the lives of Ohioans for over 50 years.

Nixon served three terms as a Warren County commissioner from 1950 to 1962, when he was elected to the Ohio House of Representatives. He rose to become the Minority Leader of the Republican Party in 1979 and held that post until his retirement in 1992. Throughout his political career, he remained passionate about Standardbred horse racing and held a wide array of roles within the sport.

Born March 5, 1913, in Red Lion, Ohio, Nixon was introduced to horse racing by his grandfather, Edmund Stewart, via his role as president of the Warren County Fair Board. Later, as a politician, he was an avid supporter of legislation that established the Ohio Thoroughbred Fund, Ohio Standardbred Development Fund, and Ohio Sires Stakes program.

Nixon's harness racing career began in 1950 when he was asked to manage racing operations at Lebanon Raceway within the Warren County Fairgrounds. He later served the U.S. Trotting Association in various capacities for 47 years, including as president from 1987 until his retirement in 2003. Also a breeder, trainer, and driver, some of his other roles included director of Harness Tracks of America, trustee and chairman of the American Horse Council, president of the International Trotting Association, and trustee of the Harness Racing Museum & Hall of Fame. In 1969, he drove Smolder to a world two-mile record on a five-eighths mile track at Scioto Downs with a time of 4:19.3, which stood for nearly 25 years.

Nixon earned numerous accolades for his impact on harness racing, including Ohio Agriculture Hall of Fame (1980), Ohio State Fair Hall of Fame (1980), Ohio Harness Racing Hall of Fame (1986), Harness Horsemen International Appreciation Award (1989), Harness Racing Hall of Fame (1993), Little Brown Jug Wall of Fame (1994), and Harness Tracks of America Messenger Award (1995).

Nixon passed away on Nov. 6, 2003, in Dayton, Ohio, at the age of 90.

# CARBINE

## A Brilliantly Fast, Regally Bred And Extremely Handsome Son Of Somebeachsomewhere

Carbine stands his third season at stud in 2026 after a successful season of racing and breeding in 2025.

Scintillatingly fast, regally bred and extremely handsome, Carbine is one of the very last sons of Somebeachsomewhere to enter stud. Carbine is out of the Cam's Card Shark mare Shot Togo Blue Chip thus making him a half-brother to the successful sires Heston Blue Chip and Sunfire Blue Chip.

Winner of 2 legs of the Graduate at the age of 4 (defeating Charlie May and Linedrive Hanover) and the 2024 Pacey "The Wizard" Mindlin Memorial Pace at Miami Valley Racetrack defeating Taurasi and Little Rocket Man, Carbine has been a mainstay in the Preferred and Open Races at several racetracks as an aged performer, pacing no less than 37 sub 1:50 miles. Carbine's last half of :51.3 on July 22, 2022 at The Meadowlands is thought to be the fastest back half ever at that oval.

Carbine represents a unique opportunity for Ohio breeders to breed to a reasonably priced son of the legendary sire of sires Somebeachsomewhere.

His oldest foals are 2026 yearlings.

# Ohio Harness Racing Hall of Fame

## 1987

# *Grant “Gene” Riegle*

It has been said that few horsemen have had careers as lengthy and as productive as Gene Riegle.

Born June 3, 1928, in Greenville, Ohio, Riegle got his start in harness racing by helping his accomplished horseman father, Roy, with tasks in the barn. He went on to work at the top levels of the sport for nearly five decades as a trainer and driver en route to being elected to the Ohio Harness Racing Hall of Fame in 1987 and the Harness Racing Living Hall of Fame in 1991.

While in his early teens, Riegle's parents died in a car accident, leaving him to take over training duties while his brother, Dick, became his assistant trainer. Riegle won the first start of his career in 1951 at the age of 17 at the Darke County Fair in Greenville, defeating Hall of Fame horseman Sanders Russell. In 1958, he drove Mr. Saunders to second- and third-place finishes in the Hambletonian.

During his career, Riegle trained the likes of 1973 Kentucky Futurity winner Arnie Almahurst, 1972 Adios winner Jay Time, 1990 freshman pacing champion Artsplace, 1991 and 1992 freshman and sophomore pacing champion Western Hanover, 1981 and 1982 freshman and sophomore filly pacing champion Three Diamonds, and 1993 Little Brown Jug champion Life Sign and other stars such as Leah Almahurst and Troublemaker. He recorded another career highlight at Scioto Downs in 1991, driving Artsplace in the fastest mile in the history of the track at 1:52.2. Artsplace and Western Hanover would later become legendary sires.

Riegle passed away on Oct. 17, 2011, in Greenville at the age of 83. One of the premier races at the Darke County Fair, the Gene Riegle Memorial Pace, is named in his honor.

**2021's 2YO Pacing Colt Of The Year  
Breeders Crown Champion  
Oldest Foals Are 2-Year-Olds In 2026**

The son of Always B Miki won 6 of 7 starts as a two year old while earning \$665,276, by far the leader in his division. He took divisional honors on the strength of two major stakes wins — the \$650,960 Metro at Woodbine Mohawk Park in 1:52.2 and the \$600,000 Breeders Crown at The Meadowlands in 1:53.2.

He took his lifetime record of 1:50.4 in his Breeders Crown elimination.

Ohio Harness Racing Hall of Fame  
**1988**

*William "Doc" McMillen*

William "Doc" McMillen was born in Madison County, Ohio, in 1890 and received his nickname early in life while working for a veterinarian. During his long career in harness racing, he was associated with many notable horses and received several awards, and it has been noted that many horsemen credit their knowledge of the sport's fundamentals to his teachings.

In his youth, McMillen was considered among the top harness racing drivers in the country. He began his career in 1917 and made his first start in 1920 at Jamestown, Ohio. In 1929, he trained and drove world champion Peter Cowl in 2:02 and won the \$25,000 Secor Trot, the richest race of that time, with that horse. McMillen is also remembered for driving Well Worthy when that trotter became the first to crack the 2:05 mark on a half-mile oval.

McMillen was presented with the Award of Merit by the Grand Circuit in 1975 in recognition of his 50 years as a driver and was awarded the U.S. Harness Riders Association Meritorious Award in 1979. He remained active in the sport until his death in April 1984 in London, Ohio, at the age of 94. Upon his death, he continued to hold the Madison County Fair trotting record, which he set in 1934.

McMillen was inducted into the Harness Racing Hall of Fame in 1985 and the Ohio Harness Racing Hall of Fame in 1988.

# SEVEN COLORS

## World Champion & Millionaire Son Of Stay Hungry Standing His First Season In 2026

Seven Colors was one of the premier 3-year-old colts of his year, highlighted by capturing the Milstein Memorial at Northeld Park in a dazzling time of 1:48.1, making him the fastest 3-year-old of all time on a half mile track. As a 3-year-old, Seven Colors also won two legs and the final of the Pennsylvania Sire Stakes and was second in both his elimination and final (by a neck) of the Little Brown Jug.

As an older horse Seven Colors won a leg of the Graduate, was second in the Breeders Crown final and showing his versatility, won a leg of the 1 1/16-mile MGM Grand Prix Invitational Pacing Series at Yonkers.

Royally bred, Seven Colors is a grandson of the great Somebeachsomewhere and out of the Bettor's Delight mare Rainbowinthedark who has sold yearlings for \$700,000 and \$300,000 and is a sister to the great Bettor's Wish.

A grandson of Somebeachsomewhere, a true half mile specialist with blazing speed and from one of the best maternal families in the sport, Seven Colors represents terrific value and opportunity to breeders in the state of Ohio.

## 1989

# *Hugh M. "Doc" Parshall*

Hugh Maynard "Doc" Parshall was born Dec. 21, 1898, in Hillsboro, Ohio. He developed a love of horses while growing up and later graduated from Indiana Veterinary College before making a name for himself in harness racing as a two-time Hambletonian winner among other feats as an owner, trainer, and driver.

Parshall opened his harness racing career in the fair circuit in central Ohio and adjoining states and quickly became one of the leading drivers in the country. As his reputation grew, fans began to know him as the "red, white, and blue man of the tracks" after he got his colors from former champion Tom Murphy upon Murphy's retirement. He was also known for carrying a match in his mouth in every race.

Parshall had his first 2:10 performer, a mare named Fondabel, in 1920 and went on to develop such standouts as Chief Counsel, Spintell, and Mc I Win. The first of his two Hambletonian driving victories came in 1934 with Lord Jim while stablemate Muscletone, driven by Parshall's brother, Daryl, finished second. He scored his second Hambletonian win in 1939 with Peter Astra. That same year, he drove 2-year-old King's Counsel to a record time of 2:01 1/4. Parshall was equally talented as a trainer, as he had about 50 of the fastest harness horses in the world at his training farm, Pinehurst, in 1941.

His sustained domination of the sport included 13 consecutive seasons in which he won more races, earned more money, and developed faster horses than any other man in the country. He finished his career having driven 13 2:00 horses.

Parshall added racing judge to his line of duties in 1944 before retiring from the sport due to complications from a heart attack. He passed away on Nov. 29, 1950, at the age of 51 in Urbana, Ohio. He has since been selected to the Ohio Harness Racing Hall of Fame (1989) and Harness Racing Hall of Fame (2004).

Ohio Harness Racing Hall of Fame  
**1989**

*Richard Jordan “Dick” Buxton*

Born Dec. 13, 1928, on a farm near Mt. Vernon, Ohio, Richard Buxton went on to become a renowned harness racing driver and trainer.

Buxton, who lettered in football and basketball in high school, began his harness racing career working for Harness Racing Hall of Famer Wayne "Curly" Smart and made his first driving start at the Knox County Fair in Mt. Vernon in 1947. He spent six years under Smart's tutelage before opening a public stable based in Urbana, Ohio, and developing into a leading trainer-driver for nearly 30 years.

Buxton trained and drove such standouts as Senator Frost, Fisherman, La Belle, Killbuck Mary, and Faraway B. In November 1959 at Hollywood Park, he drove Senator Frost in trotting the year's fastest mile in 1:57.3 and guided Fisherman to trot in 1:58. That marked a significant feat, as no trainer had ever driven two such races in one afternoon.

Buxton developed his stable into a powerhouse in Ohio for more than three decades. He also campaigned successfully in Detroit, Chicago, New York, California, and the Lexington Grand Circuit and drove for Hall of Famers John Simpson Sr., Harry Pownall Sr., Frank Ervin, and Bill Haughton. He finished his career as one of the few men to have driven and won with three world champions — Florican, Bret Hanover, and Keystone Pioneer — and recorded 1,563 victories and \$4,116,832 in earnings.

Outside of racing, Buxton served the sport in numerous ways, including developing the Buxton martingale, which has become standard equipment on almost all sets of harness throughout the world. He served as director of the United States Trotting Association from 1977 to 1992, chairing the Driver-Trainer Committee for many years, and as president of the Ohio Harness Horsemen's Association.

Inducted into the Ohio Harness Racing Hall of Fame in 1990 and the Harness Racing Hall of Fame in 2003, Buxton passed away on Jan. 1, 1992, in Urbana at the age of 63.

## 1991

### *Lawrence T. "Larry" Evans*

Described as "a publicity man's publicity man," Lawrence T. "Larry" Evans took a circuitous path to a career in harness racing en route to becoming one of the sport's most well-known spokesmen and writers.

Evans, a native of Columbus, Indiana, graduated from Hanover College in 1934 with training in journalism but began working as a chemist for Arvin Industries. He went on to serve as secretary of the Indiana legislature's House Ways and Means Committee, publisher of a weekly newspaper in Indianapolis, and fingerprint expert with the FBI in Washington, D.C. before working in classified records for the Army Air Corps.

In 1940, Evans took a job as the identification officer for the Indiana State Police. He served as a specialist in identification as a member of the U.S. Navy for three years during World War II and joined the sports staff of the Washington (D.C.) Times-Herald after discharge. He worked there for nine years during which he covered harness racing and gained attention as a writer and handicapper.

In 1954, Evans moved to Columbus, Ohio, and began working for the United States Trotting Association. He was named USTA publicity director in 1958 and served as editor of Hoof Beats magazine, the organization's official monthly publication, for 19 years. He spotlighted the sport's grassroots in 225 monthly "Fair Affairs" columns while also producing and scripting several USTA films, editing the annual Trotting & Pacing Guide, and innovating the USTA fair summer intern program. His involvement in harness racing also included serving as president of the Ohio chapter of the U.S. Harness Writers' Association and representing Ohio on the USHWA national board as a director. He retired from the USTA in 1975 but went on to write and edit for the Standardbred quarterly magazine Hub Rail for seven years while also contributing to several harness publications and speaking and emceeing at various events.

Evans was heavily lauded for his work in harness racing. He received the Golden Pen Award for lifetime achievement from the North America Harness Publicists Association in 1974 and was elected to the Writers' Corner of the Hall of Fame in Goshen, New York, in 1984. He was the 1982 recipient of the USHWA Ohio chapter's Meritorious Award and was inducted into the Ohio Harness Racing Hall of Fame in 1991.

He passed away in Columbus, Ohio, at the age of 85.

# Ohio Harness Racing Hall of Fame

## 1992

# *John Lewis Hervey*

Described by The Thoroughbred of California as “the dean of American turf journalists,” John Hervey had a Hall of Fame writing career in harness racing.

Born in 1869 in Jefferson, Ohio, Hervey was raised in a horseman’s family and began writing about Thoroughbred and Standardbred racing around the age of 16. Not long afterwards, he was hired by William Fasig to work in his sales organization, which became the Fasig-Tipton Company, and was writing articles for a variety of turf journals. Hervey’s connection with Fasig led to him becoming the editor of The Trotting Horse in 1892, and he also contributed to the Chicago Tribune and Daily Racing Form. Hervey became the editor of The Thoroughbred Record in 1912 and began using the pen name “Salvator” in honor of the Hall of Fame racehorse. He also wrote for such publications as The Blood-Horse, Breeder and Sportsman, The Harness Horse, Hoof Beats, and The Thoroughbred of California as he developed into one of America’s top authorities on all aspects of racing and breeding.

Hervey joined the staff of The Horse Review, writing under the pen name “Volunteer,” and remained with that publication until its end in 1932. He was also hired by the Jockey Club to write three volumes in the Racing in America series, which are considered by many to be his most important works. Additionally, he wrote multiple volumes of the annual American Race Horses book. In 1947, the Trotting Horse Club of America Inc. contracted Hervey to write the book The American Trotter, which has been described as “the most comprehensive history of the Standardbred ever published” while serving as a definitive reference for horsemen.

Hervey passed away in December 1947 in Chicago, Illinois. He was elected to the Harness Racing Hall of Fame in 1962 and to the Ohio Harness Racing Hall of Fame in 1992 and was named to the National Museum of Racing’s Joe Hirsch Media Roll of Honor in 2023. The John Hervey Awards for excellence in harness racing journalism are named in his honor.
