No funds for a Veteran Championship shall be allocated to or paid to a permit holder by the Ohio Standardbred Development Fund (OSDF) unless the permit holder adds at least twenty-five (25%) percent to the amount allocated by the OSDF to each Veteran Championship.

Cancellations:

If circumstances prevent racing any Veteran Championship at the scheduled track on its advertised date, the OSDF may reschedule the race on another date or another track, whenever possible.

Rules:

Unless otherwise specifically stated in the conditions, Ohio State Racing Commission Rules will govern. The interpretation of any of the conditions and settlement of any disputes that arise will be determined by the OSDF in their sole and complete discretion in making a final decision. The Ohio State Racing Commission reserves the sole and exclusive right to modify, alter, amend and/or cancel any event in its entirety.

Entering or Starting a horse in the same Leg of the Buckeye Stallion Series (BSS) and the Ohio Sires Stakes (OSS) is prohibited. Entering a horse that has raced in the same Leg in the Ohio Sires Stakes will result in a scratch from the Buckeye Stallion Series. Starting a horse in the same Leg (whether the start occurs in the Ohio Sires Stakes or Buckeye Stallion Series) will immediately invalidate and annul that horse's nomination to the Buckeye Stallion Series without refund. This rule applies regardless of whether the Leg of the Buckeye Stallion Series is scheduled and held before or after the same Leg in the Ohio Sires Stakes. Once invalidated and annulled, any points earned in the Buckeye Stallion Series to that point are surrendered, zeroed out, and the horse is immediately ineligible to enter or race in any remaining Buckeye Stallion Series Leg(s), Consolation, and Final in the current year.

When the Buckeye Stallion Series Final or Consolation is drawn, and the Ohio Sires Stakes Championship is on a five-eighths mile track, a horse in the top nine Ohio Sires Stakes' points standings, entered, or drawn into the Ohio Sire Stakes Scarlet and Gray Championship or Scarlet Championship, is ineligible for the Fifth Leg of the Buckeye Stallion Series, Buckeye Stallion Series Final and Buckeye Stallion Series Consolation.

When the Buckeye Stallion Series Final or Consolation is drawn, and the Ohio Sires Stakes Championship is on a half mile track, a horse in the top eight Ohio Sires Stakes' points standings, entered, or drawn into the Ohio Sire Stakes Scarlet and Gray Championship or Scarlet Championship, is ineligible for the for the Fifth Leg of the Buckeye Stallion Series, Buckeye Stallion Series Final and Buckeye Stallion Series Consolation.

All ineligible, invalidated, and annulled horses are ineligible for the Buckeye Stallion Series Final and Buckeye Stallion Series Consolation.

Entry is not automatic. A horse must enter the BSS Final or BSS Consolation to be named a starter. A horse must start in at least two BSS legs to be eligible to enter for the BSS Final or BSS Consolation. All horses (except ineligible or invalidated/annulled horses) receiving points in two legs may enter the BSS Final or BSS Consolation, but only the eight horses for a BSS Final on a half-mile track or nine horses for a BSS Final on a five-eighths mile track with the highest point totals of

those entered will be selected as starters. When the BSS Final is raced on a half-mile track, the eight horses with the highest point totals or entered in the BSS Final are not eligible to enter the BSS Consolation or BCS Final. When the BSS Final is raced on a five-eighths mile track, the nine horses with the highest point totals or entered in the BSS Final are not eligible to enter the BSS Consolation or BCS Final. If a horse is eligible by points and drawn in to race in the BSS Final, the horse shall race only in the BSS Final. A horse scratched from the BSS Final is not eligible to enter the BSS Consolation or BCS Final.

Excluding ineligible, invalidated, or annulled horses, all other horses receiving points in at least two BSS legs may enter the BSS Consolation, but only the eight horses for a BSS Consolation on a half-mile track or nine horses for a BSS Consolation on a five-eighths mile track with the highest point totals of those entered will be selected as starters.

If two or more horses tied in points declare in for the last position in the Buckeye Stallion Series Final or Consolation, the horse with the highest earnings in the Buckeye Stallion Series for the current year will be the last starter. If the tie is not broken by earnings, the last starter shall be drawn by lot.

Two also-eligible horses may be drawn in the Buckeye Stallion Series Final or Consolation. The higher point winner shall be assigned also-eligible #1. If also-eligible horses tie in points, the horse with the higher Buckeye Stallion Series earnings, also-eligible #1 shall be drawn by lot. Also-eligible horses may move in if a scratch occurs prior to the designated scratch time at the track hosting the Buckeye Stallion Series Final or Consolation.

Points:

Points will be awarded in each of the five legs of the series as follows: Win-51, Second-26, Third-13, Fourth-9, Fifth-6 and all remaining starters-1. In the event of a dead heat, as with purse money division, horses shall receive the standard distribution of points for their order of finish.

Points are calculated as of the draw date for any Final or Consolation. Points shall be awarded according to any placing of the judges and shall be used to determine which horses shall qualify for the Buckeye Stallion Series Final or Consolation. Any pending appeal of a ruling issued by the judges shall not alter the placing determined by the judges. Participants with appeals yet to be decided at the time of declaration will have points deducted for the violation. In the case of a positive drug test, all appeals will have points deducted for a placing, unless the case has a final, unappealable decision prior to declaration.

Should any participant in the Buckeye Stallion Series be notified of a positive drug test result in any Series Race, he/she must notify the Ohio Harness Horseman's Association upon receipt of the notice.

If a horse is declared and is scratched from any OFRC stake race for any reason other than sick or lame, the trainer of the horse at time of entry is responsible for a \$100 failure to start fee which is due and payable to the OFRC. Any horse with an outstanding scratch fee will not be permitted to race again in the OFRC until the fee has been paid. There is no fee for the scratch of a sick or lame horse.

Membership:

All owners of each entered colt or filly must be a Full Active member of the OHHA for \$65 per owner, due with nomination, if not already paid. Each membership receives a card good for one admission to Ohio Fair Racing Conference member fairs on race days.

Additional passes to OFRC member fairs on race day may be obtained by becoming an Associate Member of the OHHA for \$25 per member. Fair Boards will be considered members of the Ohio Fair Racing Conference if they have joined the OHHA as an Associate Member.

Purse Distribution:

The purse for each race will be divided as follows:

5 or more to start	50%	25%	12%	8%	5%
4 to start.....	55%	25%	12%	8%	
3 starters.....	55%	30%	15%		
2 starters.....	65%	35%			
1 starter.....	100%				

(horse must start and go over the course)

Points:

Trophies awarded at the Annual Awards Banquet will be based on the system of points as follows: Win-51, Second-26, Third-13, Fourth-9, Fifth-6 and all remaining starters-1. In the event of a dead-heat, as with purse money division, horses shall receive the standard distribution of points for their particular-order of finish.

Points shall be awarded according to any placing of the judges. Any pending appeal of a ruling issued by the judges shall not alter the placing determined by the judges. Participants with appeals yet to be decided at the time of declaration for the Ohio Fairs Championship will have points deducted for the violation. In the case of a positive drug test, all appeals will have points deducted for a placing, unless the case has a final, unappealable decision prior to declaration for the Ohio Fairs Championship.

If a no contest is declared in any Ohio Fairs Fund race, all purse money is evenly divided, and fifteen (15) points are awarded to all non-offending horses that start the race.

Should any participant in the Ohio Fair Racing Conference be notified of a positive drug test result in any Ohio Fair Racing Conference Race, he/she must notify the OHHA upon receipt of the notice.

Gait:

A horse nominated at one gait may move to the other gait by advising the OHHA. If any colt or filly changes gait after nomination, it may be transferred to the adopted gait at the time of entry. If possible, all payments will follow the entry, due to change of gait.

Cancellations:

If circumstances prevent racing any leg at the scheduled racetrack on its advertised date, the OHHA may reschedule it on another date or at another track.

Rules:

Unless otherwise specifically stated in the Ohio Fair Racing Conference conditions, Ohio State Racing Commission Rules will govern. The interpretation of any of the conditions and settlement of any disputes that arise will be determined by the OHHA in their sole and complete discretion in making a final decision. The OHHA reserves the sole and exclusive right to modify, alter, amend and/or cancel this event in its entirety.

Change of gait permissible up to declaration time; transfer to adopted gait allowed.

All races are mile dashes. Single heats for 2 and 3 year olds - 100% of total purse.

For any fair that cancels live horse racing prior to any live race day draw; the across the board nomination money will be apportioned by Division equally to the Fairs that will conduct live racing in that Circuit from the cancelled fair's date forward, the single fair nomination money will be refunded to the nominator of the horse. If a cancellation occurs at a point in the Circuit's Fair Racing Season that makes it impractical or impossible to roll the nomination fees forward, then any remaining nomination monies will be refunded to the nominator of the horse nominated to that Circuit. All refunds will occur at the conclusion of the Fair racing season.

Purse Distribution:

Race Conditions:

Owners who purchase an entry into the race will be eligible to enter one horse from one stable or interest of their choosing if purchased before June 15, 2026. Owners who purchase after June 15th, 2026 are allowed no more than two horses from one stable or interest of their choosing.

Owners do not have to designate a horse until the time of declaration.

There will be a total of nine slots available. If more than nine owners purchase an entry, a lottery drawing will be held at Scioto Downs. Nomination fees will be returned to owners that are unsuccessful in the lottery drawing.

There must be a total of eight (8) entries purchased for the race to fill.

If less than 10 slots are purchased within any of the individual deadlines, all purchasers are guaranteed a spot and not subject to the lottery drawing. Within any deadline period, if the total number of slots purchased exceeds 9, then only those slots purchased within that time period are subject to the lottery drawing. Once nine slots have been purchased by any of the given deadlines, the event will be closed.

If an event is not sold out by the June 15, 2026 deadline, slots may be sold to owners with already one slot for a cost of \$10,000. The deadline to purchase a second slot is June 22, 2026. If more slots are purchased by owners who already have a slot, a lottery drawing will take place.

Owners of slots may trade, sell, or giveaway entries at any time until the time of declaration for the event. Any entry that changes hands must be submitted in writing by both parties to Scioto Downs. Slots may be traded, sold or given away to owners that already have slots after June 15, 2026.

Scioto Downs reserves the right to reject any entry for any reason without liability.

Trainers, Owners and Stables are limited to one (1) entry per division through June 15, 2026.

No trainer will be allowed to have more than two entries per race. Horses changing trainers and keeping the same owner may do so at least 21 days prior to scheduled draw. The new trainer may not be associated to the previous trainer. This includes but is not limited to: employer, employee, assistant trainer, family member, blood related or domestic partner. Eldorado Scioto Downs management reserves the right to reject any entry that fails to meet this requirement.

All owners, trainers and drivers of horses nominated to this event must be accepted to participate at the Host Track or the nomination/entry may be denied without refund of previous payments.
